Dairy Quiz Bowl Contest

One of the big events of the MJHA Convention is the dairy quiz bowl competition. Juniors will have the opportunity to display their knowledge of the Holstein breed and the dairy industry on Saturday.

The contest consists of two divisions, junior and senior. Junior team members cannot reach their 16th birthday before January 1st, 2020. Each team is made up of four members and all must be members of the MJHA. To participate in this year's contest, fill out the enclosed form and return it to the MHA office or sign up at the convention.

The champion teams will have the opportunity to compete in the National Dairy Quiz Bowl contest in Lancaster, Pennsylvania this summer.

How to study for Dairy Quiz Bowl...

A majority of the questions that are used in dairy quiz bowl come from general dairy sources, like Holstein Foundation, Hoards Dairyman, Dairy Today, and Dairy Workbooks put out by National Holstein and the University of Minnesota. Since the winner of this contest goes onto the National Holstein Convention each year, we also include specific Holstein questions that are similar to ones that are asked at national convention.

These questions include important cows, bulls, and people in the Holstein industry. Sources of some of these types of questions could include the Holstein World and the book called Progress of the Breed. The Holstein Foundation has an extensive list of sample questions on their website.

Dairy Jeopardy

If the speech contest or dairy quiz bowl aren't your style, try Dairy Jeopardy! Dairy jeopardy is a contest for individuals who are quick on the buzzer and want to test his or her dairy knowledge. The contest is open to all MJHA members ages 9-21. ***New this year, the Dairy Jeopardy contest will take place on Friday evening. Please make sure to sign-up for Dairy Jeopardy when you register for convention.***

For rules and more details about dairy jeopardy, visit www.holsteinfoundation.org/youthprograms/dairyjeopardy.html or contact the Minnesota Holstein office at (320) 259-0637.

PBR and Long-Range Production

Long range production awards for 50,000, 100,000 and 150,000 lbs. of milk will be given out to juniors and the convention banquet.

This year, long range production awards will be open to all-breeds. High Milk, High Fat and High Protein awards are also given for the age divisions 2, 3, 4-year old's and 5-years and over.

The Minnesota Junior Progressive Breeders Registry award will also be presented at the banquet.

Applications are due to the MHA office by February 14th, 2020.

MJHA Junior Memorial Scholarships

Two MJHA Memorial Scholarships are available to present or former MJHA members. Members must be currently enrolled in post-secondary education and have a minimum GPA of 2.5. The scholarship application can be found in this newsletter and is due to the MHA office by February 14th, 2020. The Junior Memorial Scholarships will be presented at the 2020 convention.

Folding Display Contest

Still looking for another opportunity for a national trip? Contact the office or ask a board member about the folding display contest. Great for all ages! This is one of the newer contests at our convention.

Entrants must create a free-standing display board no longer than 4' x 4' on a topic of their choice, relating to the dairy industry.

Junior Holstein Prepared Speaking Contest

It's time again for the prepared speaking contest, which is open for all junior ages 9-21. Contestants can choose any topic pertaining to Holstein cattle and the Holstein industry.

Age Divisions

- Juniors 9-13
- Intermediate 14-17
- Seniors 18-21

Note: ages are as of Jan. 1, 2020

Junior division speeches should be 3-5 minutes in length, intermediate and seniors should be 6-9 minutes.

Please sign up on your registration form if you wish to participate in this contest.

MJHA High School Senior Scholarships

Two \$200 MJHA High School Senior Scholarships are available to graduating seniors. The scholarship application can be found in this newsletter and are due February 14th, 2020 to the MHA office.

Eligibility:

High School Senior, MJHA member, competition of application, meet Feb. 15 deadline, used for post high school education, letter of recommendation from a high school advisor or teacher.

County Roll Call

Get your creative minds together and start planning your club roll call! Saturday morning, each club is required to introduce themselves and prepare a very short skit, song, or anything they can think of to represent their club well.

Run for the Board

Are you looking to get more involved? Do you have a love for cows? Do you have a good work ethic? Older members have the exciting opportunity to run for the MJHA Board! If you would like to get more involved with the MJHA, the board is a great opportunity.

The MJHA board consists of youth who are responsible and dedicated individuals that work together planning events throughout the year for junior members such as: clipping and fitting workshops, state show, lunch stands, Ag Olympics, and convention. Serving on the board is fun, and it's a great way to develop lasting friendships with those who share the common interest—Holsteins! If you run for the MJHA Board, simply have another junior nominate you at convention during open nominations session: you are then considered a candidate. Nominees must be 16 years of age or older. Candidates will be asked to give a brief introduction, stating why they would like to become a member of the MJHA board.

Please think hard before running for the board, this is a task that takes great dedication and hard work. It is not a popularity contest nor is it just another board to be a part of. It requires time and effort to be successful.

Elections will be held on the last day of convention, Sunday, March 28th during the morning business meeting. If you have any questions, contact the MJHA Board or our MJHA Facebook page!

National Holstein Convention

Those planning to compete in dairy quiz bowl, jeopardy, and/or the speaking contest, please take note that the National Holstein Convention will be hosted in Lancaster, Pennsylvania this year. The dates of convention are June 22-26th, 2020. Please communicate with your parents before convention if you would like to attend National's, you could be the winner! It is preferred to have paperwork completed before leaving convention.

Photo Contest

Do you have any pictures of you, your friends, Holsteins, or farm that make you smile? Bring them to convention to share and participate in our contest! To enter, all you must do is print a 5 x 7 photo, and write your name, age and address on the back. Winners are chosen by popularity vote.

If your photo is selected as the winner, it will be in the next *Minnesota Holsteins News!*

MINNESOTA JUNIOR HOLSTEIN PROGRESSIVE BREEDERS REGISTRY AWARD

Requirements:

Applicant must be a current member of MJHA.

Animals must be BRED AND OWNED BY THE JUNIOR. Name must appear on papers as such. For partnership animals, list the % ownership that the Junior has.

Application must include ALL animals bred and owned that have freshened and are alive as of January 1 of the previous year (2019).

Award to be based on the Junior's herd to consist of at least three or more milking animals.

Only the last completed standardized 305d ME record will be considered. (The last completed 305d ME record is computer designated and found at the end of the cow page, noting her 305d actual record and the most completed.)

The production qualification will be based on 10% over the MN DHIA average Holstein production for milk and evaluated on dollar value of product. This will be an average of all cows. A copy of both sides of the DHIA cow page will be required.

The type of qualification must be 102% BAA from the last classification scores. This will be an average of all cows. A copy of the registration papers will be required (front side only). Must have classified in one of the last two scheduled programs.

Entries are due to the MHA office by February 14, 2020.

Distinguished Junior Member

The Distinguished Junior Member Competition award recognizes 17-21 year old Holstein enthusiasts who have excelled in preparing for their life's work, while contributing to their local and state Holstein activities. Established in 1922, this contest is the longest running Holstein youth program, and it is the highest honor that can be given to a Junior Holstein member.

There is no limit to the number of applications each state can send. Contestants prepare entry books summarizing their Junior Holstein activities and provide their views on current industry topics.

Twelve semifinalists are chosen to attend the National Holstein Convention, where six Distinguished Junior Member finalists are selected. The top six DJM's receive an annual renewed adult membership with the Holstein Association USA, Inc.

DJM Applications can be found at www.holsteinusa.com/juniors

Applications are due to the MHA office by **January 20th**

Young Distinguished Junior Member

Similar to the Distinguished Junior Member contest, the Young Distinguished Junior Member award recognizes 9-16 year old junior members for their accomplishments working with Holsteins, achievements and leadership in Holstein activities, as well as school and community involvement.

The top individuals are honored at the National Holstein Convention.

Applications are due to the MHA office by **January 20th**.

Minnesota State Show 2020

This year the Minnesota State Junior Show will be held in Arlington, MN, June 15-19.
