
Minnesota Junior Holstein Progressive Breeders Registry Award

REQUIREMENTS:

- Applicant must be a current MJHA member.
- Animals must be BRED AND OWNED BY THE JUNIOR. Name must appear on papers as such. For partnerships animals, list the percentage ownership that the Junior has.
- Application must include ALL animals bred and owned that have freshened and are alive as of January 1 of the previous year (2021).
- Award to be based on the Junior's herd to consist of at least three or more milking animals.
- Only the last completed standardized 305D ME record will be considered. (The last completed 305D ME is computer designated and found at the end of the cow page, noting her 305D actual record and the most completed).
- The production qualification will be based on 10% over the MN DHIA average Holstein production for milk and evaluated on dollar value of product. This will be an average of all cows. A copy of both sides of the DHIA cow page will be required.
- The type of qualification must be 102% BAA from the last classification scores. This will be an average of all cows. A copy of the registration papers will be required (front sides only). Must have classified in one of the last two scheduled programs.
- Entries due to the MHA office by **February 15th, 2022**.
